

# Sir John Lawes School

Education for a changing world

23 November 2016

Dear Parent/Guardian

As you are aware your son/daughter has been nominated as MAST in a language. We would like to inform you about what this means and how we support and stretch them.

Your son/daughter has been nominated because he/she displays characteristics of an excellent language learner. These traits include showing initiative, not being afraid to make mistakes, pushing themselves to go beyond expectations and being curious about the language itself and the culture of the country.

We are aware that we need to nurture this interest in the languages and therefore we will be producing a half-termly newsletter via email with activities based around different themes. These activities can be completed in their own time in groups or as a family. By completing these activities, they are not only developing their knowledge but they are also working towards a Language badge.

We thank you for your support and hope that you will also enjoy these activities!

If you have any questions, please do not hesitate to get in touch.

Miss C Guillouet
