

Key Stage 3+ Year 8 Guided Options

Name _____ Tutor group _____ Form Tutor _____

All students will study the following in Year 9: English, Maths, Science, core Computing, Design & Technology, History, Geography, Religious Studies, Life Skills and core PE.

Enrichment Options are those subjects that will run for Year 9 only. They are subjects to broaden student experiences, deepen understanding and engender a love for learning. Frequently, no formal qualifications are achieved as a direct consequence of studying these subjects.

You need to choose a minimum of **3** Subject Options at this stage. During Year 9 you choose the **4** GCSE options that you will study in Year 10. At that point GCSE courses in Religious Studies, Design Technology (Product Design route and Graphic Product route), Textiles and Food Technology also become available.

Please show your choices below by placing them in order of preference (1-6) **1 for your first choice, 2 for your second choice etc. (5 and 6 will be your reserve options)**

- In total you must make **6** choices
- You must choose a minimum of **3** Subject Options from columns A and B **with a minimum of 1 option from each of these columns**
- As part of your first **4** choices, you may choose one subject from column C

A – Subject Options	Choice No.
Art	
Computer Science	
Drama	
Media and Film Studies	
Music	
PE	

B – Subject Options	Choice No.
French	
German	
Spanish	

C – Enrichment	Choice No.
Animal Studies	
Architectural Design & Engineering	
Social Sciences	

We will try to accommodate each student's choices. It is likely (but not guaranteed) that students will be able to study all of their first 4 choices. In the few cases where this is not possible we will discuss this with students individually. Where too few students select a course, we cannot guarantee it will run.

Checklist (Please tick)

I have made 6 choices in total

As part of my first 6 choices I have chosen at least 3 Subject Options from columns A, B and C

As part of my first 4 choices, I have included at least 1 from each of columns A and B

Parents' Signature _____
